2. New features

2.1. S&F – Filter days on reschedule calendar

It is now possible to no longer allow agents to select a day in the calendar when rescheduling a phone call and this according to a parameter defined in the script.

IMPLEMENTATION FOR WALLONIA

- In all script template, for a citizen living in Wallonia (region parameter)
- it is no longer possible to select Sunday in the module “date picker” when rescheduling a call by the agent
